36 "1 Land Revenue—Cattle-Pounds—Contingencies"

Rao Sahib A. Madhava Prabhu *(Diwan Peishkar)*: I rise to move for an additional allotment of Rs. 750 under "1-Land Revenue—Cattle Pounds—Contingencies". The damaged cattle pound at Edakolathur Village has been ordered to be reconstructed at a cost of Rs. 750. There was no provision in the budget. The poud fell down and therefore it had to be reconstructed at once. The expenditure is necessary for that purpose. I request that the House may be pleased to vote the sum.

37. "1-Land Revenue Cattle Pounds—Miscellaneous"

Rao Sahib A. Madhava Prabhu *(Diwan Peishkar)*: I rise to move for an additional allotment of Rs. 8,370 under "1-Land Revenue—Cattle Pounds—Miscellaneous". A three year scheme for the construction of cattle pounds in villages at a cost of Rs. 17,801—10—0 has been approved by Government in the year 1120. There was a part provision of Rs. 5,380 but that was insufficient. Actually the expenditure after constructions of the ten cattle pounds taken up for 1120 was found to be 13,750. The balance Rs. 8,370 is asked for at present. This extra expenditure was on account of the tender excess that had to be provided for at the time of the work. I request that the same may be granted.
